WHEREAS

1. The Customers entrusted the Biological Material pursuant to the agreement between the Parents and CryoSave or/and its legal predecessor, direct and indirect affiliate, subcontractor or business partner, including entities not running a business at the time of the conclusion of the Agreement ("**Other Entities**"), however due to transfer of the Biological Material originally stored by CryoSave to the laboratory of PBKM ("**Laboratory**"), which belongs to the FamiCord Group, the Parents do not have any interest in continuing and will not continue their relationship with CryoSave or/and Other Entities, even if their agreement with CryoSave or/and Other Entities has not expired or been formally terminated.

2. The Parents, acting in the best interest of the Child and in order to protect the Child's fundamental right to health, have decided to entrust the storage of this Biological Material to FCS, which belongs to the FamiCord Group, by signing this Agreement under the following terms and conditions

The Parties agree as follows:

§ 1. Verification of the transfer of the Biological Material

PRITOM

1. Kupci su poverili Biološki materijal u skladu sa ugovorom između Roditelja i CrioSave-a ili/i njegovog pravnog prethodnika, direktnog i indirektnog pridruženog lica, podizvođača ili poslovnog partnera, uključujući subjekte koji u trenutku zaključenja Ugovora nisu poslovali („**Drugi entiteti**“), međutim, zbog prenosa biološkog materijala prvobitno uskladištenog od CrioSavea u laboratoriju PBKM („**Laboratorija**“), koja pripada FamiCord Grupi, Roditelji nemaju nikakvog interesa da nastave i neće nastaviti sa odnos sa CrioSave-om i/ili drugim entitetima, čak i ako njihov ugovor sa CrioSave-om i/ili drugim entitetima nije istekao ili je zvanično raskinut.

2. Roditelji, koji deluju u interesu Deteta i u cilju zaštite njegovih osnovnih prava na zdravlje, odlučili su poveriti čuvanje Biološkog materijala FCS, koja pripada FamiCord Group, potpisivanjem Ugovora, u okviru sledećih uslova

Strane su saglasne kako sledi:

§ 1 Verifikacija prenosa Biološkog materijala

1. FCS undertakes to verify whether the Biological Material entrusted to CryoSave has been transferred to the Laboratory and is currently stored at the Laboratory.

2. The following provisions of the Agreement are conditional upon FCS's positive verification and confirmation that the Biological Material (at least 1 (one) sample) entrusted to CryoSave has been transferred to the Laboratory and are still in a suitable condition for storage § 2, § 3, § 4 and § 5. It means that the provisions listed in the preceding sentence shall enter into force only upon FCS's confirmation that the Biological Material is actually stored at the Laboratory and only with reference to the samples of the Biological Material covered by FCS's confirmation. The storage confirmation shall be sent by FCS to the Customers to the e-mail addresses indicated above.

3. If, upon FCS's verification, it occurred that no Biological Material (not even 1 (one) sample) entrusted to CryoSave has been transferred to the Laboratory, which shall be confirmed by FCS to the Customers by means of information sent to the e-mail addresses indicated above, the Agreement shall expire. The same notice and the same result will be given if the samples are not in a suitable condition for storage.

4. The payments for any additional services (e.g. Transplant Assistance Package) selected by the Customers during the process of conclusion of the Agreement will be invoiced and charged by FCS directly after concluding the Agreement.

5. Should the Customers choose Switzerland or Germany as a storage location of the Biological Material, the invoice for the initial fee as indicated in the Attachment 1 to the Agreement will be issued by FCS to the Customers upon delivery of the Biological Material to the selected location of storage of the samples.

6. Any and all payments under the Agreement (including payment for the Transplant Assistance Package if selected) are applicable if at least one sample of the Customers' Biological Material entrusted to CryoSave is confirmed to be stored in the Laboratory.

4. For avoidance of doubt **Attachment 2** (Personal Data Processing Policy) is applicable irrespectively of the fact whether the conditions referred to under section 2 above have been fulfilled or not.

§ 2 GENERAL PROVISIONS

1. The subject of this Agreement are the services provided by FCS, consisting in family storage of Biological Material at the Laboratory or another laboratory chosen by Customers in accordance with the Agreement.

2. The Agreement establishes the terms and conditions for storing the Biological Material by FCS and potential further services of FCS, as described in **Attachment 1** (Services). Any services, other than storage of the Biological Material, may only be provided upon the explicit instruction made by the Customers through the My FamiCord Customer Panel or in writing.

3. Personal Data will be processed in a lawful, fair and transparent manner, in compliance with applicable laws, including, but not limited to in compliance with the rules set out in **Attachment 2** (Personal Data Processing Policy) and **Attachment 3** (Terms and Conditions) to the Agreement, the GDPR and the DPA.

1. FCS se obavezuje da će verifikovati da li je Biološki materijal poveren CryoSave prenet u Laboratoriju i da li se trenutno skladišti u Laboratoriji.

2. Sledeće odredbe Ugovora su uslovljene pozitivnom verifikacijom i potvrdom FCS-a da je biološki materijal (najmanje 1 (jedan) uzorak) poveren CryoSave-u prenet u Laboratoriju i da je još uvek u odgovarajućem stanju za skladištenje § 2, § 3, § 4 i § 5. To znači da će odredbe navedene u prethodnoj rečenici stupiti na snagu tek nakon potvrde od strane FCS da je Biološki materijal zapravo uskladišten u Laboratoriji i to se isključivo odnosi na uzorke Biološkog materijala obuhvaćene potvrdom od strane FCS. Potvrda o čuvanju će biti poslata od strane FCS Korisnicima na gore navedene e-mail adrese.

3. Ako se nakon FCS verifikacije desi da nijedan Biološki materijal (čak ni 1 (jedan) uzorak) poveren CryoSave-u nije prenet u Laboratoriju, što će FCS potvrditi Kupcima putem informacija koje šalje na e. -adrese pošte navedene iznad, Ugovor ističe. Isto obaveštenje i isti rezultat će biti dati ako uzorci nisu u odgovarajućem stanju za dalje skladištenje.

4. Plaćanja za sve dodatne usluge (npr. Paket pomoći) koje su odabrale Kupci tokom proces zaključenja Ugovora će se fakturisati i naplaćuje FCS neposredno nakon zaključenja Ugovora.

5. Ako klijenti izaberu Švajcarsku ili Nemačku kao mesto skladištenja biološkog materijala, FCS će fakturu za transport, navedenu u Prilogu 1 ugovora, izdati klijentima nakon transporta biološkog materijala do željene lokacije skladištenja uzoraka.

6. Sve uplate prema ugovoru (uključujući plaćanje za paket pomoći pri transplantaciji ukoliko je odabran) primenjive su ako se potvrdi da je najmanje jedan uzorak biološkog materijala klijenta uskladišten u FamiCord Group laboratoriji.

4. Kako bi se izbegla sumnja **Prilog 2** (Zakon o zaštiti ličnih podataka) je primenljiv bez obzira na to da li su ispunjeni uslovi iz prethodnog odeljka 2 ili ne.

§ 2 OPŠTE ODREDBE

1. Predmet ovog Ugovora su usluge koje pruža FCS, a koje se sastoje od porodičnog skladištenja biološkog materijala u Laboratoriji ili drugoj laboratoriji po izboru Kupca u skladu s Ugovorom.

2. Ugovor utvrđuje uslove čuvanja Biološkog materijala od strane FCS i potencijalne dalje usluge kompanije FCS, kako je opisano u **Prilogu 1** (Usluge). Sve usluge, osim čuvanja Biološkog materijala, mogu biti obezbeđene samo nakon eksplicitnih uputstava sačinjenih od strane Korisnika preko Moj FamiCord Korisnik table, ili pismenim putem.

6. The Parties confirm that the Agreement is a new/stand-alone agreement between the Parties, i.e., none of the provisions of any agreement between CryoSave or/and Other Entities and the Customers are hereby assumed and/or shall continue to be in force between the Parties.

7. Unless otherwise defined, the terms defined herein shall have the meaning set forth in **Attachment 3** (Terms and Conditions).

Ako se biološki materijal čuva u laboratoriji koja pripada podizvođaču koji je treće lice, podatke o takvim podizvođačima korisnici mogu da dobiju po pisanom zahtevu u bilo kom trenutku.

6. Osim ukoliko laboratorija u koju biološki materijal treba da se prenese od strane FCS nije pod upravom subjekta koji pripada FamiCord Group ili njegovim podizvođačima i osim ako nije na teritoriji Evropske unije, Ujedinjenog Kraljevstva, ili Švajcarske, FCS ima obavezu da obavesti korisnike o planiranoj izmeni lokacije za skladištenje biološkog materijala najmanje 30 (dana) pre datuma kada se planira transfer biološkog materijala. U takvim okolnostima, korisnici se mogu žaliti na promenu lokacije za skladištenje biološkog materijala slanjem pisanog prigovora FCS. Ako korisnici ne dostave prigovor u roku od 30 (trideset) dana od dana kada su dobili informacije o planiranoj promeni lokacije za skladištenje biološkog materijala, smatraće se da su dali svoj pristanak na njega.

7. Prethodna saglasnost korisnika za promenu lokacije skladištenja biološkog materijala neće biti potrebna kada prenos biološkog materijala treba da se izvrši odmah da bi se osigurala bezbednost biološkog materijala. U svakom slučaju, FCS ima obavezu da obavesti korisnike o ovlašćenom trećem licu koje trenutno skladišti biološki materijal.

8. FSC izjavljuje da ima sva potrebna prava za korišćenje Laboratorija za skladištenje biološkog materijala u skladu sa Ugovorom kao i za ispunjavanje ostalih obaveza iz Ugovora i da FSC zadržava ova prava tokom celog trajanja ovog Ugovora.

4. FCS ne može da se smatra odgovornim za prikupljanje, pripremu i skladištenje biološkog materijala od strane CryoSave pre nego što je biološki materijal primljen od strane ovlašćenog predstavnika FamiCord Group.

6. FCS se ne može biti smatrati odgovornom za činjenicu da uzorak krvi iz pupčane vrpce sadrži premalo matičnih ćelija da bi se efikasno iskoristile.

7. FCS ne može da se smatra odgovornim kliničke neupotrebljivosti prenetog biološkog materijala koja proističe iz drugih razloga u odnosu na one koji se tiču nepravilnog skladištenja biološkog materijala nakon što je on dostavljen laboratoriji.

8. FCS ne snosi odgovornost za bilo kakvu štetu na biološkom materijalu koja je nastala tokom transporta biološkog materijala izvršenog na zahtev korisnika, osim transporta biološkog materijala izvršenog od strane FCS u skladu sa gore navedenim članom 2. (Skladištenje).

9. FCS neće biti odgovoran za vršenje prava o odustanku od ugovora zbog činjenice da su klijenti potpisali ugovor za skladištenje biološkog materijala sa CryoSave Arabia FZ-LLC sa glavnom kancelarijom u Dubaju, UAE (trenutno ime : CellSave Arabia FZ-LLC sa glavnom kancelarijom u Dubaju, UAE) ili bilo kojeg predhodnika ili naslednika.

§ 5. KORIŠĆENJE BIOLOŠKOG MATERIJALA PRE DETETOVOG PUNOLETSTVA

1. Pre nego što dete postane punoletno, roditelji mogu u bilo koje vreme da daju saglasnost za upotrebu biološkog materijala za medicinske potrebe deteta ili drugih primalaca (detetovi biološka braća i sestre ili biološki roditelji ili biološki babe i dede). Isporuka označava predaju biološkog materijala subjektu koji je ovlašćen da ga koristi za lečenje. FCS isporučuje biološki materijal nakon što od ovlašćenog subjekta dobije odgovarajuće dokumente koji potvrđuju upotrebu biološkog materijala za lečenje.

2. FCS obezbeđuje skladišteni biološki materijal u bilo koje vreme neposredno subjektu koji radi transplantaciju ćelija ili njegovom ovlašćenom predstavniku (po zahtevu korisnika) na osnovu pisanog neposrednog originalnog naloga ovlašćenih lica koja poseduju sledeća dokumenta kojima se potvrđuje njihovo pravo da raspolazu biološkim materijalom:

i

2.3 lična karta / pasoš koja/i potvrđuje identitet roditelja.

3. The obligations of FCS under the Agreement do not include preparation of the Biological Material for transport and/or the transport the Biological Material to the place indicated by the Parents (unless the Customers have chosen a Transplant Assistance Package or Transplant Assistant Plus Package) from the extended facultative offer of FCS services when signing the present Agreement or at a later date). The duties of FCS are limited only to enabling the authorized entity to receive the Biological Material from the Laboratory or another laboratory in which the Biological Material is stored.

4. No court ruling concerning release of the Biological Material is required if a specialized medical doctor confirms a threat to the life or health of the Child or of a close member of the Child's family. In this case, an application from a specialized medical doctor and a written confirmation of releasing the Biological Material to the hospital/research hospital by the Parents shall be required.

Clause 6. VALIDITY OF THE AGREEMENT AFTER THE CHILD'S AGE OF MATURITY

1. If the Child reaches the Age of Maturity, the validity of the Agreement shall not be interrupted.

2. As soon as the Child reaches the Age of Maturity, the Child shall be fully entitled to release the Biological Material for his or her own medical needs or the needs of the Child's biological siblings, the Child's biological parents or the Child's biological grandparents, unless he or she is fully deprived of legal capacity. The right to release the Biological Material by the Child when he or she reaches the Age of Maturity does not depend on who is a party to the Agreement. The Child shall be authorised to release the Biological Material even if he or she does not sign or accede to the Agreement by his or her consent or does not replace the Parents with respect to the rights and duties arising under the Agreement.

3. The Child that reaches the Age of Maturity shall have the right to release the Biological Material for therapeutic use for her/himself or for the Child's biological siblings, the Child's biological parents or the Child's biological grandparents after providing all of the following documents:

3.2 Child's own statement certified by a notary public;

3.3 ID card/passport of the Child.

4. As soon as the Child reaches the Age of Maturity, the Parents may not independently request the Biological Material to be destroyed, released or transferred. The Parents have however the right to terminate the Agreement according to its provisions.

5. If the Agreement is terminated by the Parents when the Child reaches the Age of Maturity, FCS shall be entitled to contact the Child at the Parents' address to replace the Parents with respect to the rights and duties arising under the Agreement. If the Child does not respond within 1 (one) month following this contact, FCS shall assume that the Agreement is terminated. Unless the Child duly replaces the Parents under the Agreement, the Parents shall remain jointly and severally liable for any obligations arising under the Agreement, in particular for payment of the fees for FCS's services under the Agreement.

3. Obaveze FCS-a prema Ugovoru ne uključuju pripremu biološkog materijala za transport i/ili transport biološkog materijala na mjesto koje su roditelji odredili (osim ako klijenti nisu odabrali paket pomoći pri transplantaciji ili Paket pomoći pri transplantaciji PLUS) iz proširene fakultativne ponude FCS usluga prilikom potpisivanja ovog Ugovora ili poslije). Dužnosti FCS-a su ograničene samo na omogućavanje ovlaštenom subjektu da primi biološki material iz Laboratorije ili druge laboratorije u kojoj se biološki materijal čuva.

4. Sudska presuda o davanju biološkog materijala nije neophodna, ako specijalizovani doktor medicine potvrdi da je ugrožen život ili zdravlje deteta ili bliskog člana detetove porodice. U tom slučaju, prijava specijalizovanog doktora medicine i pisana izjava od strane roditelja o davanju biološkog materijala bolnici/istraživačkoj bolnici će biti neophodna.

§ 6. VALIDNOST UGOVORA NAKON ŠTO DETE POSTANE PUNOLETNO

1. Kada dete postane punoletno, validnost ovog ugovora se neće prekinuti.

2. Čim dete postane punoletno, imaće puno pravo da koristi biološki materijal za svoje lične medicinske potrebe ili za potrebe bioloških braće i sestara, svoje biološke roditelje ili svoje biološke babe i dede, osim ako on ili ona nije u potpunosti lišen/a pravne sposobnosti. Pravo da dete koristi biološki materijal kada on ili ona postane punoletan/na ne zavisi od onoga ko je glavni nosilac ovog ugovora. Dete će biti ovlašćeno da koristi biološki materijal čak i ako on ili ona ne potpiše ili ne prihvata ugovor ili ne zameni roditelje uz poštovanje prava i dužnosti koje su izložene u ovom ugovoru.

3. Dete koje postane punoletno imaće pravo da koristi biološki materijal u svrhu svog lečenja ili u svrhu lečenja detetovih bioloških braće i sestara, detetovih bioloških roditelja ili detetovih bioloških baba i deda nakon što priloži svu navedenu dokumentaciju:

3.1 adekvatan dokument od osobe da namerava da se podvrgne lečenju uz korišćenje biološkog materijala, koji potvrđuje potrebu za korišćenjem biološkog materijala;

3.2 Detetovu ličnu izjavu overenu kod javnog notara;

3.3 Lična karta/pasoš deteta.

4. Čim dete postane punoletno roditeljima nije dozvoljeno da samostalno traže uništavanje, korišćenje ili transfer biološkog materijala. Roditelji ipak imaju pravo da raskinu ugovor u skladu sa njegovim odredbama.

5. Ako roditelji raskinu ugovor kada dete postane punoletno, FCS će biti ovlašćena da kontaktira dete na adresi roditelja da bi zamenilo roditelje u skladu sa pravima i dužnostima koje su izložene u ovom ugovoru. Ako dete ne odgovori u roku od jednog (1) meseca od datuma sklapanja ovog ugovora, FCS će smatrati da je ovaj ugovor raskinut. Roditelji zadržavaju zajedničku i pojedinačnu odgovornost za obaveze koje proizilaze iz ovog ugovora, naročito za plaćanje naknada za usluge FCSkoje su izložene u ovom ugovoru, osim ako dete uredno zameni roditelje prema ugovoru.

6. FCS agrees that when the Child reaches the Age of Maturity, the Parents may assign the rights and obligations arising under the Agreement to the Child. If the Parents assign the rights and obligations arising under the Agreement to the Child and the Child is not solvent, such assignment shall be considered ineffective.

7. The Child that reaches the Age of Maturity may, by unilateral declaration of will certified by a notary public, transfer any and all rights to handle the Biological Material to the Parents, including the right to use the Biological Material for medical needs of other recipients (the Child's biological siblings, the Child's biological parents or the Child's biological grandparents) in case of transplantation and the patients (the Child's biological siblings, the Child's biological parents or the Child's biological grandparents) in case of administration.

Clause 7. TERM, RESIGNATION AND TERMINATION OF THE AGREEMENT

1. The Agreement has been concluded for an indefinite period.

2. The following reasons provide grounds for FCS to terminate the Agreement with immediate effect subject to section 3 below:

a) whenever for any reasons the payment is not remitted in full or does not reach FCS's account in the amount defined in the Agreement and in **Attachment 1** (Services) or Attachment 4 (Annexes to the BC4CH Contract - Facultative services);

b) whenever the Parents fail to fulfil in time all their obligations defined in § 3 (OBLIGATIONS OF PARENTS) of the Agreement or whenever they fail to perform other activities, negatively affecting a correct and timely provision of the service by FCS; in each such case, the Parents will not be eligible for a refund of any amounts they have paid to CryoSave.

3. FCS will notify the Customers in writing of its intention to terminate the Agreement pursuant to section 2 above and give them 3 (three) months to perform their obligations correctly. The Agreement may only be terminated if the Customers have not performed their obligations despite expiry of the term referred to in the preceding sentence.

4. The Customers shall be entitled to terminate the Agreement with immediate effect, where in the termination letter the Customers may state whether they want the stored Biological Material to be destroyed, transferred or donated only if FCS commits a material breach in performing its contractual obligations described in Clause 2 (STORAGE) above and does not remedy it within 10 (ten) business days after receiving a complaint of the Customers who, on their part, are carrying out their duties properly.

5. The Customers will immediately notify FCS of their intention to apply section 4 above.

6. The Parties accept and agree that the Customers have the right to terminate the Agreement subject to a notice period of 3 (three) months at any time during the term of the Agreement by sending a notice of their intention to FCS by registered letter. Such notice shall clearly indicate the Customer's intention to terminate the Agreement and determine whether the stored Biological Material shall be destroyed, transferred or donated.

6. FCS je saglasna da kada dete postane punoletno, roditelji mogu detetu da dodele prava i obaveze koje proizilaze iz ovog ugovora. Ako roditelji prepišu prava i obaveze izložene u ovom ugovoru na dete i dete nije solventno, takav dogovor će se smatrati nedelotvornim.

7. Kada postane punoletno, dete može da, pomoću jednostrane dobrovoljne izjave overene kod javnog notara, prenese bilo koje ili sva prava na rukovanje biološkim materijalom roditeljima, uključujući i pravo da koriste biološki materijal za medicinske potrebe drugih primalaca (detetovih bioloških braće i sestara, detetovih bioloških roditelja ili detetovih bioloških baba i deda) u slučaju transplantacije i pacijenata (detetovih bioloških braće i sestara, detetovih bioloških roditelja ili detetovih bioloških baba i deda) u slučaju primanja terapije.

§ 7. USLOVI, ODUSTAJANJE I RASKIDANJE UGOVORA

1. Ugovor je zaključen na neodređeni period.

2. Sledeći razlozi pružaju osnove da FCS raskine ugovor što odmah stupa na snagu na osnovu odredbi iz odeljka 3 u nastavku:

a) Bilo kada, kada zbog bilo kojih razloga uplata nije izvršena u celosti ili uplata ne stigne na račun FCSu iznosu koji je definisan u ugovoru i u prilogu 1 (Usluge) Ili Prilogu 4 (Aneksi BC4CH ugovora - Fakultativne usluge);

b) Kad god roditelji ne ispune na vreme sve svoje obaveze definisane u § 3 (OBAVEZE RODITELJA) ugovora ili kad god ne obave ostale aktivnosti, koje shodno tome negativno utiču na pravilno i blagovremeno pružanje usluga od strane FCS; u svakom od ovih slučajeva, roditelji neće biti podobni za povraćaj bilo kojih troškova koje su platili CryoSave.

3. FCS će obavestiti roditelje u pisanoj formi o svojoj nameri da raskine ugovor na osnovu odredbi iz odeljka 2 u nastavku i da im omogući tri (3) meseca da pravilno ispune svoje obaveze. Ugovor se može raskinuti ako roditelji nisu ispunili svoje obaveze uprkos isteku roka utvrđenom u prethodnoj rečenici.

4. Roditelji će imati pravo da raskinu ugovor što odmah stupa na snagu, ako su u obrascu za raskid ugovora naveli bilo da žele da sačuvani biološki materijal bude uništen, prenešen ili doniran, samo ako FCS počinu materijalno kršenje u izvršavanju ugovornih obaveza opisanih u Tački 2 (SKLADIŠTENJE) koja je prethodno navedena i ne otkloni ga u roku od deset (10) radnih dana nakon prijema žalbe roditelja koji su sa svoje strane pravilno obavljali svoje dužnosti.

5. Roditelji će odmah obavestiti FCS o svojoj nameri da primene gore navedene odeljak 4.

6. Strane prihvataju i saglasne su da roditelji imaju pravo da raskinu ugovor na osnovu odredbi iz odeljka 3 u otkaznom roku od 3 (tri) meseca u bilo koje vreme tokom trajanja ugovora slanjem obaveštenja o svojoj nameri FCS preporučenom pošiljkom. Takav otkazni rok jasno navodi namere roditelja da raskine ugovor i određuje da li će skladišteni biološki materijal biti uništen, premešten ili doniran.

7. Should the Customers decide to transfer the Biological Material to another biobank or tissue establishment upon termination of the Agreement, they shall indicate in their termination notice the address of the new biobank or tissue establishment, as well as the Authorised Person and submit a relevant written order form. The transport of the Biological Material shall be provided by authorised medical courier at the cost and responsibility of the Customers.

In such situation FCS shall be entitled to the one-off payment in the amount of EUR 190 per sample as a reimbursement of FCS' flat costs connected with preparation of the Biological Material to transfer to the new biobank or tissue establishment, including costs of preparation and verification of the relevant documents and costs of technical arrangements. The above one-off payment shall be paid to FCS prior commencement of any actions connected with transfer of the Biological Material the new biobank or tissue establishment.

8. Any refunds will be made within 30 (thirty) business days after the application date, by bank transfer to the current account of the Customers who have applied for the refund, on condition that the application must be properly documented and sent by registered letter to FCS.

9. The Customers shall be entitled to rescind from the Agreement without providing any reason within 14 (fourteen) days following the execution hereof. The rescission notice shall be delivered in writing to the FCS office.

10. FCS shall be entitled to rescind from the Agreement within 2 (two) years following the execution hereof, if, upon FCS's verification, it occurred that the Customers have concluded an agreement for storage of Biological Material with CryoSave Arabia FZ-LLC with registered office in Dubai, UAE (current-name: CellSave Arabia FZ-LLC with registered office in Dubai, UAE) and/or any of its predecessors or successors. The rescission notice shall be delivered by FCS to the Customers by means of information sent to the e-mail addresses indicated above.

Clause 8. COMPLAINT PROCEDURE

1. In order to facilitate the Customers' communication in matters related to the Agreement, Customer Service maybe be provided by a third party appointed by FCS.

2. The Customers agree that FCS may change the entity providing Customer Service at any time.

3. Complaints concerning the performance under the Agreement shall be made in writing or sent by e-mail within a maximum period of 30 (thirty) calendar days from the day when the Customers became aware of the reason for the complaint. The foregoing shall not preclude the Customers' right to file a complaint after the end of this period. FCS shall consider the complaint within 30 (thirty) calendar days from receipt of the complaint.

4. Having considered the complaint, FCS shall respond to the Customers by the same means as the complaint was received (letter with confirmation of receipt or e-mail) to the address or e-mail address set forth on the cover page of the Agreement or another address clearly indicated by the Customer in their complaint.

Clause 9. DISPOSAL OF STORED BIOLOGICAL MATERIAL IN CASE OF AGREEMENT TERMINATION

7. Ako roditelji odluče preneti biološki materijal u drugu biobanku ili u banku tkiva nakon raskida ugovora, oni će navesti u svom obaveštenju o raskidu ugovora adresu nove biobanke ili banke tkiva, kao i ime ovlašćenog lica i podneti odgovarajući obrazac u pisanoj formi. Transport biološkog materijala će biti sproveden od strane ovlašćenog medicinskog kurira o trošku roditelja i na njihovu odgovornost.

U takvoj situaciji FCS ima pravo na jednokratnu isplatu iznosa od 190 eura po uzorku kao nadoknada paušalnih troškova FCS-a vezano za pripremu biološkog materijala za prenos do nove Bio banke ili ustanove tkiva, uključujući troškove priprema i overa relevantnih dokumenata i troškova tehničkih aranžmana. Ova jednokratna uplata biće isplaćena FCS pre otpočinjenja procedura koje prate transport biološkog materijala.

8. Svaki povraćaj novca biće izvršen u roku od 30 (trideset) radnih dana od datuma podnošenja zahteva, bankovnim transferom na tekući račun Klijenata koji su podneli zahtev za povraćaj, pod uslovom da zahtev mora biti pravilno dokumentovan i poslat preporučenim pismom FCS-u.

9. Kupci imaju pravo da raskinu Ugovor bez navođenja razloga u roku od 14 (četрнаest) dana nakon izvršenja ovog zakona. Obavijest o raskidu dostavlja se u pisanoj formi kancelariji FCS-a.

10. FCS ima pravo da se opozove od ugovora u roku od 2(dve) godine nakon izvršenja ovog zakona, ukoliko se nakon FCS-ove verifikacije, dogodilo da su klijenti sklopili ugovor za skladištenje biološkog materijala sa CryoSave Arabia FZ-LLC sa glavnom kancelarijom u Dubai, UAE (trenutno ime: CellSave Arabia FZ-LLC sa glavnom kancelarijom u Dubai, UAE) i/ili bilo kojim od njegovih predhodnika ili sledbenika. Obaveštenje o raskidu treba da bude dostavljeno od strane FCS-a klijentima putem informacija koje se šalju na e-mail adresu naznačenu iznad.

§ 8. PROCEDURA ŽALBE

1. Da bi se roditeljima olakšala komunikacija koja se tiče pitanja u vezi sa ugovorom, možda će se odrediti osoba za podršku klijentima koju će ovlastiti FCS.

2. Roditelji su saglasni da FCS može da promeni subjekt određivanjem osobe za podršku u bilo koje vreme.

3. Sve žalbe o delovanju ugovora trebaju biti sastavljene u pisanoj formi ili poslate elektronskom poštom u roku od maksimalno trideset (30) dana od dana kada roditelji postanu svesni razloga za žalbu. Prethodno navedeno neće onemogućiti pravo na žalbu roditelja nakon okončanja ovog perioda. FCS će razmotriti žalbu u roku od trideset (30) dana od dana prijema žalbe.

4. Razmotrivši žalbu, FCS će odgovoriti roditeljima na isti način na koji je žalba primljena (pismo potvrde prijema ili elektronska pošta) na poštansku adresu ili adresu elektronske pošte kako je utvrđeno na naslovnoj strani ugovora ili na adresu koju su jasno naznačili roditelji u svojoj žalbi.

§ 9. UKLANJANJE ČUVANOG BIOLOŠKOG MATERIJALA U SLUČAJU RASKIDA UGOVORA

1. Where the Agreement is terminated by the Customers, they shall be entitled to make a written declaration, indicating whether the Biological Material is to be transferred to another authorized tissue establishment, destroyed or disposed otherwise. The written declaration on the manner of disposal of the Biological Material, if not included in the termination notice, shall be made no later than within 30 (thirty) days following the date on which the Agreement ceased to be effective due to termination by the Customers.

2. In case (i) the Agreement is terminated by FCS, or (ii) the Agreement is terminated by the Customers but the Customers have not made a declaration on disposal of the Biological Material in the termination notice nor pursuant to section 1 above, within 1 (one) year following the date on which the Agreement ceased to be effective due to termination, the Biological Material shall be destroyed by FCS.

3. If the Biological Material is destroyed, a destruction certificate, detailing the reason for the destruction, will be drafted. A copy of the certificate will be sent to the Customers only on their request.

4. The Parties confirm that the Customers remain the only persons entitled to the Biological Material irrespective of whether the Agreement has been terminated or the Customers fail to perform their obligations; FCS is in particular not entitled to make any use of the Biological Material during the 1 (one) year period referred to in section 2 above and for any purposes whatsoever (including medical treatment, experimental, R&D, etc.).

Clause. 10 FINAL PROVISIONS

1. Each Party shall notify the other Party of any change of their registered office or place of residence or address for service within 30 (thirty) days from the change. Such notice shall be validly given if made in writing and sent by registered mail, courier or e-mail, or (with reference to notices made by FCS) through the My FamiCord Customer Panel to the addresses indicated in the Agreement. If such notice is not made, any notices or statements of the Parties sent to the address of the other Party indicated in the Agreement shall be considered duly served. If the Customers fail to notify FCS of a change of their address, as a result of which FCS will have a problem with delivering invoices and contacting the Customers for a period longer than 6 (six) months, FCS has the right to acknowledge that the Customers have abandoned the Biological Material and FCS shall be entitled to terminate the Agreement subject to 1 (one) month notice period and to destroy the Biological Material as set forth in Clause 9 (DISPOSAL OF STORED BIOLOGICAL MATERIAL IN CASE OF AGREEMENT TERMINATION) above.

2. The Customers hereby agree and confirm that for important reasons FCS may assign or otherwise transfer all or any of its rights, or delegate or otherwise transfer all or any of its rights, obligations or performance under the Agreement to a third party, including entities that do not belong to the FamiCord Group. In such a case FCS shall inform the Customers of the planned assignment, delegation or transfer, providing to the Customers details of the assignee or transferee. Unless the Customers make objection to such assignment, delegation or transfer within 30 (thirty) days following receipt of FCS's notice, it shall be deemed that they have granted their consent for the planned assignment or transfer.

1. U slučaju raskida ovog Ugovora od strane roditelja, roditelji imaju pravo da dostave pismenu izjavu, u kojoj će navesti, da li biološki materijal treba biti prebačen u drugu ovlašćenu banku tkiva, uništen ili drugačije predat. Pismena izjava o raspolaganju biološkim materijalom, osim ako nije uključena u obaveštenju o raskidu, treba biti podnešena najkasnije u roku od trideset (30) dana od datuma izvršenog raskida Ugovora od strane roditelja.

2. U slučaju da (i) FCS raskine Ugovor, ili (ii) klijenti raskinu Ugovor, ali klijentini su dali izjavu o raspolaganju Biološkim materijalom u obaveštenju o raskidu niti u skladu sa odeljkom 1 iznad, u roku od 1 (jedne) godine od datuma kada je Ugovor prestao da važi zbog raskida, FCS će uništiti Biološki materijal.

3. Ukoliko biološki materijal bude uništen, izradiće se potvrda o uništavanju, koja će sadržavati razlog uništenja. Korisnici dobijaju kopiju spomenute potvrde na zahtev.

4. Stranke potvrđuju da su korisnici i dalje jedine osobe koje imaju pravo na biološki materijal, bez obzira na to je li Ugovor raskinut ili korisnici ne izvršavaju svoje obaveze; FCS posebno nema pravo koristiti bilo kakav biološki materijal tokom perioda od 1 (jedne) godine naveden u gornjem odeljku 2 i u bilo koje svrhe (uključujući medicinsko lečenje, eksperimentalno, istraživanje i razvoj itd.).

§ 10. ZAVRŠNE ODREDBE

1. Svaka od stranaka obaveštava drugu stranku o svakoj izmeni svog registrovanog sedišta ili mesta prebivališta, odnosno adrese za dostavu, u roku od 30 (trideset) dana od takve izmene. Takva obavest će se valjano dati, ako je podnesena u pisanom obliku i poslana preporučenom poštom, kurirskom službom ili e-poštom, ili (uz upućivanje na obavesti sačinjene od FCS) putem Mog FamiCord korisničkog panela na adrese navedene u Ugovoru. Ako takva obavest nije data, sve obavesti ili izjave stranaka poslane na adresu druge stranke navedene u Ugovoru smatraće se uredno uručenim. Ako korisnici ne obaveste kompaniju FCS o promeni svoje adrese, usled čega kompanija FCS može imati problem sa dostavljanjem računa i kontaktiranjem korisnika u periodu dužem od 6 (šest) meseci, kompanija FCS ima pravo priznati da su korisnici odustali od biološkog materijala i FCS raskinuti Ugovor pod uvetom davanja prethodnog otkaznog perioda od 1 (jednog) meseca i uništiti biološki materijal, kao što je navedeno u čl. 9 (ODLAGANJE SKLADIŠTENOG BIOLOŠKOG MATERIJALA U SLUČAJU UGOVORA O RASKIDU).

2. Korisnici se ovim slažu i potvrđuju da iz bitnih razloga kompaniji FCS mogu dodeliti ili na bilo koji drugi način preneti sva ili bilo koja od njegovih prava, ili delegirati ili na drugi način preneti sva ili bilo koja njegova prava, obavezu ili izvršenje na treću stranu na osnovu Ugovora, uključujući subjekte koji ne pripadaju kompaniji FamiCord Group. U takvom slučaju kompanija FCS dužna je obavestiti korisnike o planiranom ustupanju, delegiranju ili prenosu, pružajući korisnicima detalje o punomoćniku ili primaocu. Ako se korisnici ne protive takvom ustupanju, delegiranju ili prenosu u roku od 30 (trideset) dana nakon prijema obavesti od kompanije FCS, smatraće se da su dali svoju saglasnost za planirano ustupanje ili prenos.

3. If the operations of FCS are suspended or terminated for any reason that requires the transfer of rights and obligations related to the storage of the Biological Material to any third party, FCS guarantees that the Biological Material may be further stored by a third party - a specialised and authorised entity - on the basis of separate agreements between FCS and PBKM. The Customers shall not incur any costs of transferring the rights and obligations related to the storage of the Biological Material during the term of the Agreement, subject to the obligation to pay the storage fees according to the Agreement to the benefit of the entity that takes over the Agreement.

4. In the following cases:

4.1. FCS ceases to be part of the FamiCord Group or PBKM ceases to be the entity having direct or indirect control over FCS (including, but not limited to by virtue of shareholding, contractual or factual basis); or

4.2. FCS sells its ongoing concerns, or transfers its whole business or parts of it to any third party/parties outside the FamiCord Group, and/or signs any contracts with third parties that might have a similar effect, including lease of operating facilities; or

4.3. a person/persons or an entity/entities from beyond the FamiCord Group acquires ownership over or right to use the Laboratory in whole or in a significant part that creates reasonable doubts as to whether the entities from the FamiCord Group can guarantee effectuation of the Agreement;

FCS shall inform the Customers of such an event within 30 (thirty) days therefrom.

5. Any potential disputes arising between the Parties from or in connection with the Agreement will be submitted to the court of competent jurisdiction. The foregoing shall not preclude the right of the the Customers to use out-of-court settlement of consumer disputes.

6. The applicable law is the law of Switzerland (excluding the Vienna Convention on the Sales of Goods (CISG)). The choice of applicable law shall not deprive the consumer of their rights arising from the mandatory provisions of the law of the country of their habitual residence.

7. Should any of the provisions of the Agreement be or become void or be held illegal or invalid, all other provisions shall remain in full force and effect, it being hereby agreed that such provisions are severable and that, to the maximum extent possible, the Agreement shall be construed in all respects as if such void, illegal or invalid provisions were omitted, and the void and invalid provisions shall be forthwith replaced by other provisions to be agreed upon by the Parties, valid in form and substance, and which shall accomplish as nearly as possible the purpose and intent of the void or invalid provisions in due course.

3. Ako se poslovanje kompanije FCS obustavi ili prekine iz bilo kog razloga, koji zahteva prenos prava i obaveza u vezi sa skladištenjem biološkog materijala na bilo koju treću stranu, kompanija FCS garantuje da biološki materijal može dalje skladištiti treća strana - specijalizovani i ovlašćeni subjekt - na osnovu posebnih ugovora između FCS i PBKM. Korisnici neće snositi nikakve troškove prenosa prava i obaveza vezanih za skladištenje biološkog materijala tokom trajanja Ugovora, uz obavezu plaćanja naknada za skladištenje prema Ugovoru u korist subjekta koji preuzme Ugovor.

4. U sledećim slučajevima:

4.1. FCS prestaje biti deo FamiCord Group ili PBKM prestaje biti subjekt koji ima direktnu ili indirektnu kontrolu nad FCS (uključujući, ali ne ograničavajući se na osnovu deonice, ugovorne ili činjenične osnove); ili

4.2. FCS prodaje svoje stalne interese ili prenosi celokupni posao ili njegove delove na bilo koju treću stranu/stranke izvan FamiCord Group, i/ili potpiše bilo kakve ugovore sa trećim stranama koji mogu imati sličan efekat, uključujući najam operativnih objekata; ili

4.3. osoba/osobe ili subjekt/subjekti koji su izvan FamiCord Group stiče/-u vlasništvo nad ili pravo na korišćenje laboratorije u celini ili u značajnom delu što stvara opravdane sumnje mogu li subjekti iz FamiCord Group garantovati provođenje Ugovora;

Kompanija FCS je dužna obavestiti korisnike o takvom događaju u roku od 30 (trideset) dana od tada.

5. Svi potencijalni sporovi koji nastanu između stranaka iz ili u vezi sa Ugovorom biće predani nadležnom sudu. Gore navedeno ne isključuje pravo korisnika na rešavanje potrošačkih sporova vansudskim poravnanjem.

6. Važeći zakon je zakon Švajcarske (isključujući odredbe Konvencije Ujedinjenih nacija o ugovorima o međunarodnoj prodaji robe). Utvrđivanjem važećeg zakona potrošaču ne oduzimaju se prava koja proizilaze iz obaveznih odredbi zakona zemlje u kojoj ima prebivalište.

7. Ako bilo koja od odredbi Ugovora bude ili postane poništena ili proglašena nezakonitom ili nevažećom, sve ostale odredbe ostaju na snazi i proizvode pravno dejstvo, ako bude postignut dogovor da su takve odredbe ozbiljne, u najvećoj mogućoj meri, Ugovor će se u svakom pogledu tumačiti kao da su takve odredbe poništene, nezakonite ili nevažeće, te izostavljene, a poništene i nevažeće odredbe odmah će se zameniti drugim odredbama, o kojima stranke postignu dogovor, a koje su formalno i suštinski važeće, i koje se izvršavaju pravovremeno što je moguće više u skladu sa svrhom i namerom poništenih ili nezakonitih odredbi.
